Hi Nancy-

I was meeting with some people at the Human Rights Commission today and the topic of gender identification in our schools came up. There was discussion about having someone from the school district work with the HRC on rules regarding gender identification. I gave them your name as a contact person to start with. You may be hearing from their Policy Analyst Laura Lindstrand.

Thanks Nancy – I hope the 2012-13 school year is going well and I still miss and think about you all often!

Take care,  
Beth
